Explanatory notes

The notes on the following pages give an explanation of the Resolutions proposed in the Notice of AGM (the "Notice").

Resolution 2 – Approval of Directors' Remuneration Report

The directors are required to prepare an annual report detailing the remuneration of the directors and a statement by the Chair of the Remuneration Committee (together the "Directors' Remuneration Report"). The Company is required to seek shareholders' approval in respect of the contents of this report on an annual basis. This vote is an advisory one and does not affect the actual remuneration paid to any individual director.

The Directors' Remuneration Report is set out in full on pages 116 - 135 of the Annual Report and Accounts.

Resolution 3 – Election of Dr Sarah Fortune

As announced by the Company on 19 December 2023, Dr Sarah Fortune agreed to join the Board as Non-Executive Director with immediate effect. As a Professor of Immunology and Infectious Diseases at the Harvard T.H. Chan School of Public Health in Boston, Sarah brings deep expertise in genomic diagnostics and multi-omics approaches to infectious disease, including at the intersection of human genetics. Her world-leading research has focused on understanding how tuberculosis (TB) mutates to become drug resistant using a combination of single cell, genetic, and genomic approaches, including nanopore sequencing. In 2019, she led one of three labs awarded funding by the US National Institutes of Health to establish a new centre for immunology research to accelerate progress in TB vaccine development – work that remains ongoing. Oxford Nanopore will draw on Sarah's rich experience as the company seeks to develop more sequencing-based applications in the clinical space, including its first sequencing-based test for drug-resistant TB. Sarah holds a Doctor of Medicine from Columbia University and a Bachelor of Science in biology from Yale University.

Additional biographical details of Sarah are set out on page 96 of the Annual Report and Accounts and are also appended to this Notice.

Dr Fortune was appointed since the date of the Company's 2023 annual general meeting and under the Company's articles, Sarah is offering herself for election at the AGM. Accordingly, she will be proposed for election pursuant to a separate resolution which, if approved, will take effect from the conclusion of the AGM.

The Nomination Committee which considers the balance of the Board and the mix of skills, knowledge and experience of directors, has considered and recommends the proposed election. The Board considers that Sarah is independent in character and judgement and there are no relationships which are likely to affect, or which could appear to affect, her character or the exercise of her judgement. Furthermore, she has confirmed, and the Board is satisfied, that she has sufficient time to discharge the requirements of this role.

Resolution 4 – Election of Mr Nicholas ("Nick") Keher

As announced by the Company on 22 January 2024, Nick Keher has been appointed as Chief Financial Officer ("CFO") and Director of Oxford Nanopore, effective 22 January 2024. Nick is an experienced life sciences CFO, having previously served as CFO of Clinigen Group and Benevolent AI. Prior to his CFO roles he gained extensive experience in the life sciences industry serving as Managing Director and Head of the European healthcare equity research team at Royal Bank of Canada (RBC), and before that held roles at Investec and GSK after switching from practising pharmacy. She has been a director of more than 18 private and public technology-based healthcare companies, where she was involved in designing and implementing effective scaling strategies. Oxford Nanopore will draw on Heather's expertise as it looks to deliver long-term growth and shareholder value. Heather currently serves on the Boards of Oxford Biomedica plc and Azura Ophthalmics.

Additional biographical details of Heather are set out on page 98 of the Annual Report and Accounts and are also appended to this Notice.

Dr Preston was appointed since the date of the Company's 2023 annual general meeting and under the Company's articles, Heather is offering herself for election at the AGM. Accordingly, she will be proposed for election pursuant to a separate resolution which, if approved, will take effect from the conclusion of the AGM.

The Nomination Committee which considers the balance of the Board and the mix of skills, knowledge and experience of directors, has considered and recommends the proposed election. The Board considers that Heather is independent in character and judgement and there are no relationships which are likely to affect, or which could appear to affect, her character or the exercise of her judgement. Furthermore, she has confirmed, and the Board is satisfied, that she has sufficient time to discharge the requirements of this role.

Resolution 6 – Election of Katherine (Kate) Priestman

As announced by the Company on 13 July 2023, Kate Priestman agreed to join the Board as Non-Executive Director with immediate effect. Kate brings extensive experience as a biopharma executive for more than 25 years, serving in leadership roles across commercial, operations, corporate strategy, communications and government affairs. Kate is currently Chief Corporate and External Affairs Officer on the management team of global biopharma CSL, and was previously Senior Vice President of R&D Strategy, Portfolio and Operations at GlaxoSmithKline, where she led the evolution of GSK’s science and technology strategy, portfolio management and global R&D operations & business transformation, helping steer the FTSE 100 company’s growth. Kate also served on GSK’s separation board, delivering the successful spin-out of Haleon plc in 2022.

In addition, she previously held global and UK roles at Eli Lilly & Co and Zeneca, after an early career at the BBC, where she spent several years as a broadcaster. Kate also currently serves as a Trustee of RBG Kew, an organisation with around 500 scientists working globally to understand plant biology and fight biodiversity loss.

Additional biographical details of Kate are set out on page 98 of the Annual Report and Accounts and are also appended to this Notice.

Kate was appointed since the date of the Company’s 2023 annual general meeting and under the Company’s articles, Kate is offering herself for election at the AGM. Accordingly, she will be proposed for election pursuant to a separate resolution which, if approved, will take effect from the conclusion of the AGM.

The Nomination Committee which considers the balance of the Board and the mix of skills, knowledge and experience of directors, has considered and recommends the proposed election. The Board considers that Kate is independent in character and judgement and there are no relationships which are likely to affect, or which could appear to affect, her character or the exercise of her judgement. Furthermore, she has confirmed, and the Board is satisfied, that she has sufficient time to discharge the requirements of this role.

Resolutions 7 to 11 – Re-election of other Directors

In accordance with the Company’s Articles of Association and in order to comply with the 2018 UK Corporate Governance Code, all directors of the Company are required to be subject to annual election or re-election by the shareholders. As previously announced, each of Wendy Becker, Tim Cowper and Spike Willcocks will not stand for re-election at the AGM and will retire from the Board at the conclusion of the AGM. All other directors will be proposed for election pursuant to a separate Resolution, which, if approved, will take effect from the conclusion of the AGM.

A brief biography of each director is set out on pages 94 - 98 of the Annual Report and Accounts and is also appended to this Notice.

The Board is satisfied that each director proposed for election has the appropriate balance of skills, experience, independence and knowledge to enable them to fully and effectively discharge their duties and responsibilities as a director of a listed company. Following a Board evaluation in 2023, the Board is satisfied that each director’s performance continues to be effective and to demonstrate commitment to the role.

The details on each director’s experience and qualifications provided in the appendix to this Notice are given in support of the recommendation of the Company’s Board and Nomination Committee to elect each of the directors at the AGM.

Resolution 12 – Appointment of Auditor

This Resolution seeks to appoint Deloitte LLP as auditor of the Company to hold office from the conclusion of the AGM until the conclusion of the Company’s 2025 AGM.

Resolution 13 – Remuneration of Auditor

This Resolution seeks shareholder consent for the Audit & Risk Committee, for and on behalf of the Board, to set the remuneration of the Company’s auditors.

Resolution 14 – Authority to Allot Shares

This Resolution seeks to authorise the directors to allot shares or to grant rights in respect of shares in the Company and sell ordinary shares held by the Company as treasury shares. This authority is limited to the amount set out in paragraph (a) of the Resolution, being approximately one third of the issued ordinary share capital as at the Latest Practicable Date.

In addition to the above authority, and in accordance with the relevant guidance issued by the Investment Association, paragraph (b) of this Resolution seeks to authorise the Directors to allot equity securities of the Company in connection with a fully pre-emptive offer. This authority is limited to the amount set out in paragraph (b), being approximately a further one third of the total ordinary share capital in issue as at the Latest Practicable Date. This authority will allow the Company to implement a rights issue or an open offer within that limit without needing a separate shareholder meeting.

As at the Latest Practicable Date, the Company did not hold any shares in treasury. The above authorities will remain in force until the conclusion of the Company’s 2025 AGM or 10 September 2025, whichever is earlier.

The purpose of giving the directors such authorities is to maintain the Company’s flexibility to take advantage of any appropriate opportunities that may arise. The directors have no present intention to exercise these authorities except in connection with the Company’s employee share and incentive plans but consider it prudent to obtain the flexibility that this authority provides to respond to market developments and to enable allotments to take place in appropriate circumstances. The authorities are in line with guidance issued by the Investment Association.

For the purposes of Resolution 14 and Resolution 15, “rights issue” means an offer to ordinary shareholders in proportion (as nearly as may be practicable) to their existing holdings (and, if applicable, to the holders of any other class of equity security in accordance with the rights attached to such class) to subscribe for further securities by means of the issue of a renounceable letter (or other negotiable document) which may be traded for a period before payment for the securities is due, subject to such exclusions or other arrangements as the directors may deem necessary or expedient in relation to factions of such securities, the issue, transfer and/or holding of any securities in certificated form or uncertificated form, the use of one or more currencies for making payments in respect of the offer, any such shares or other securities being represented by depositary receipts, treasury shares or any legal or practical problems arising under the laws of, or the requirements of any regulatory body or any stock exchange in any territory.

Resolutions 15 and 16 – Disapplication of Pre-emption Rights

Resolution 15, which will be proposed as a special resolution, seeks to authorise directors to issue equity securities of the Company for cash, or sell treasury shares, without first offering them to existing shareholders in proportion to their existing shareholdings. Under this Resolution, the directors will be authorised to allot equity securities for cash, or sell treasury shares, in connection with pre-emptive offers to ordinary shareholders and offers to holders of other equity securities, if required by the rights of those securities or as the Board otherwise consider necessary, or otherwise up to an aggregate nominal value of £8,618.47, representing approximately 10% of the Company’s issued ordinary share capital as at the Latest Practicable Date.

Resolution 16, which will be proposed as a special resolution, is to extend the directors’ authority to allot equity securities for cash, or sell treasury shares, up to a further maximum nominal amount of £8,618.47, bringing the combined authority under Resolutions 15 and 16 to an aggregate nominal amount of £17,236.94, representing approximately 20% of the Company’s issued ordinary share capital as at the Latest Practicable Date. Each of Resolutions 15 and 16 include authority for a further disapplication of pre-emption rights up to an aggregate nominal amount of £1,723.69, representing approximately 2% of issued ordinary share capital, to be used only for the purposes of a follow-on offer as described below.

The authorities under Resolutions 15 and 16 will remain in force until the conclusion of the Company’s 2025 AGM or 10 September 2025, whichever is earlier. The directors have no present intention to exercise the authority conferred by Resolutions 15 and 16.

Resolutions 15 and 16 are in line with the Pre-Emption Group’s Statement of Principles which were amended in November 2022 (the “Principles”). This allows the Directors to allot shares for cash otherwise than in connection with a pre-emptive offer (i) up to 10% of a company’s issued ordinary share capital for use on an unrestricted basis, (ii) up to an additional 10% of issued ordinary share capital in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding 12 month period and is disclosed in the announcement of the allotment, and (iii) in the case of both (i) and (ii), up to an additional 2% of issued ordinary share capital for the purposes only of a follow-on offer. The Principles provide for a follow-on offer as a possible means of enabling smaller and retail shareholders in the Company to participate in a non-pre-emptive equity issue when it may not be possible (for timing or other reasons) for them to participate in a particular offer or placing being undertaken. In compliance with the Principles, the directors confirm that they will not allot equity securities for cash in a rights issue, or sell treasury shares, on a non-pre-emptive basis pursuant to the authority in Resolution 16 other than in connection with an acquisition or specified cash investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment. The Directors also confirm their intention to follow the shareholder protections in paragraph 1 of Part 2B of the Principles.

Resolution 17 – Authority to Purchase Own Shares

This Resolution, which will be proposed as a special resolution, is to authorise the Company to purchase its own ordinary shares as permitted by the Act. The authority limits the number of shares which the Company may purchase pursuant to this authority to a maximum aggregate of 86,184,662 ordinary shares, being approximately 10% of the Company’s issued ordinary share capital as at the Latest Practicable Date and sets maximum and minimum prices.

The Act allows the Company to hold shares which have been repurchased as treasury shares and either re-sell them for cash, cancel them either immediately or in the future or use them for the purposes of its employee share and incentive schemes. This provides the Company with additional flexibility in the management of its share capital. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. There is no statutory limit on the percentage of share capital that the Company is permitted to hold as treasury shares. However, in keeping with the guidance issued by the Investment Association, the Company will limit the number of shares that it will hold as treasury shares to no more than 10% of its issued share capital.

In seeking this authority, the directors are not indicating any commitment to buy back any of the Company’s shares. The directors will only exercise the authority if, in the light of market conditions prevailing at the time, they consider that the purchase of shares can be expected to result in an increase in earnings or net assets per share and is in the best interest of the Company’s shareholders generally. The directors do, however, consider it desirable for this authorisation to be available to provide flexibility in the management of the Company’s capital reserves. This authority shall, unless previously renewed or revoked, expire on the earlier of the Company’s 2025 AGM and 10 September 2025.

Resolution 18 – Notice of General Meetings

This Resolution, which will be proposed as a special resolution, seeks to shorten the minimum notice period required for general meetings of the Company, other than AGMs, to 14 clear days. Under the Act, all general meetings must be held on 21 clear days’ notice unless shareholders approve a shorter notice period for general meetings that are not AGMs, which cannot be less than 14 clear days.

This reduced notice period will not be used as a matter of routine for general meetings but only where, taking into account all of the circumstances, the directors consider it appropriate, and it is thought to be to the advantage of shareholders as a whole.

The approval of this Resolution 18 will be effective until the conclusion of the Company’s 2025 AGM, when it is intended that a similar resolution will be proposed.

Notes to the notice of AGM

Resolution 19 – Political Expenditure

The Act restricts companies from making donations to political parties, other political organisations or independent election candidates and from incurring political expenditure without shareholder consent. Although it has been the Company's practice not to incur political expenditure or otherwise to make payments to political parties and it intends that this will remain the case, the directors are proposing to seek authority to incur political expenditure on the terms of Resolution 19 as a precautionary measure in case any of its normal operating activities are caught by the broad definition of political expenditure contained in the Act.

The authority sought is capped at £100,000 for the Company and its subsidiaries and will cover the period from the date Resolution 19 is passed until the conclusion of the Company's 2025 AGM unless such authority has been renewed, revoked or varied by the Company in an earlier general meeting.

The Company and its subsidiaries made no political donations and incurred no political expenditure in the past year.

1. Attendance and eligibility to vote at the AGM

Only shareholders whose name appears in the Company's register of members as at 6.30pm on Thursday 6 June 2024; or if the meeting is adjourned, at 6.30pm on the day two days (excluding non-working days) prior to the adjourned meeting, shall be entitled to vote and attend the AGM. A shareholder's voting entitlement will depend on the number of shares held at that time. Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to vote at the meeting.

All resolutions at the AGM will be decided by poll. The Board believes a vote by way of poll to be more representative of shareholders' voting intentions so that votes are counted according to the number of shares held.

2. Appointing a proxy

You are entitled to, and we encourage you, to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the AGM.

A vote withheld is not a vote in law which means that a vote withheld will not be counted in the calculation of votes for or against a Resolution. Where no specific instruction is given, your proxy may vote at their own discretion or refrain from voting as they see fit. You can appoint more than one proxy in relation to the meeting if each is appointed to exercise the rights attaching to different shares held by you. Details of how to appoint a proxy are set out in note 3 below.

Any power of attorney or any other authority under which a Form of Proxy is signed (or a duly certified copy of such power of attorney) must be included with the Form of Proxy.

3. Voting by proxy

To reflect the increasing popularity of electronic communications and to further reduce our environmental impact, we will not send out paper proxy forms by default. If you would like to receive a paper proxy form you should contact our registrar, Equiniti, by telephone on +44 (0)371 384 2030. Lines are open from 8.30 a.m. to 5.30 p.m. Monday to Friday, excluding bank holidays in England and Wales. Any requests must be received no later than Wednesday, 29 May 2024.

To be valid, the completed Form of Proxy must be received online, by post, or during normal business hours only, by hand at Equiniti, Aspect House, Spencer Road, Lancing, BN99 6DA by 1.00pm on Thursday 6 June 2024 (or if the AGM is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting).

You can submit your proxy votes online by going to Equiniti's Shareview website, www.shareview.co.uk, and logging in to your Shareview Portfolio. Once you have logged in, simply click 'View' on the 'My Investments' page and then click on the link to vote and follow the on-screen instructions. If you have not yet registered for a Shareview Portfolio, go to www.shareview.co.uk and create an online portfolio using your Shareholder Reference Number which can be found on your Voting Card or Form of Proxy. It is important that you register for a Shareview Portfolio with enough time to complete the registration and authentication processes.

Equiniti provide a range of services to shareholders.

Extensive information including many answers to frequently asked questions can be found online.

Use the QR code to register for free at www.shareview.co.uk

You may only appoint a proxy using the procedure set out in these Notes. A Form of Proxy lodged electronically will be invalid unless it is lodged at the electronic address specified in this Note 3. An electronic communication sent by a shareholder to the Company or to the Company's registrar, Equiniti Limited, which is found to contain a computer virus will not be accepted.

Shareholders may not use any electronic address in this Notice or any related documents to communicate with the Company about proceedings at the AGM or the contents of this Notice other than for expressly stated purposes.

The return of a completed Form of Proxy or any CREST Proxy Instruction (as described in Note 6 below), will not prevent a shareholder from attending the meeting and voting in person if they wish to do so.

4. Corporate representatives

Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise all its powers as a shareholder on its behalf provided that no more than one corporate representative exercises powers over the same shares.

5. Nominated persons

Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a "Nominated Person") does not have a right to appoint a proxy. However, a Nominated Person may, under an agreement between them and the shareholder by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. Alternatively, if a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may have a right under any such agreement to give instructions to the shareholder as to the exercise of voting rights.

The right to appoint a proxy, as set out in note 2 above, does not apply directly to Nominated Persons.

6. CREST proxy appointment

CREST shareholders who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournments of the AGM by using the procedures described in the CREST manual available at <https://www.euroclear.com>. CREST personal shareholders or other CREST sponsored shareholders and CREST shareholders who have appointed a voting service provider should refer to their CREST sponsor or voting service provider who will be able to take appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions as described in the CREST Manual available at <https://www.euroclear.com>. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID number RA19) no later than 48 hours before the AGM (excluding non-working days). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST shareholders and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST shareholder concerned to take (or, if the CREST shareholder is a CREST personal shareholder or sponsored shareholder or has appointed a voting service providers, to procure that their CREST sponsor or voting service providers take) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST shareholders and, where application, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST systems and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 1.00pm on Thursday 6 June 2024 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them, and they will govern the electronic appointment of your proxy.

7. Joint shareholdings

If two or more shareholders jointly hold shares in the Company, each shareholder may attend, speak and vote at the AGM, appoint a proxy or give voting instructions. However, if more than one joint holder votes, appoints a proxy or gives voting instructions, the only vote, appointment or voting instruction which will count is the vote, appointment or voting instruction of the joint holder whose name is listed first on the register.

8. Shareholder requisition rights

Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which the annual accounts and reports were laid in accordance with section 437 of the Act.

The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

9. Questions for the Board

Any shareholder with the right to attend the AGM has the right to ask questions relating to the business being dealt with at the AGM. The Company must cause to be answered any such question relating to the business but no answer need be given if: (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or good order of the AGM that the question be answered.
